Powerful New Image Sources to Drive More Auto Sales

Command the attention of more automotive advertisers with enhanced photography from Metro's new *Stylized Auto Images Library*, available now at *MetroCreativeConnection*. This premium collection of images has been designed to complement Metro's already extensive *Auto Photo Library* content — essential for everyday dealer ads — giving you all the options to close more sales from auto dealers.

Here's how *Stylized Auto Images* can take your automotive sections and advertising to the next level:

- **Brand name images presented in manufacturer colors.** You get a library of professionally-crafted brand name auto images shown from differing angles in manufacturer-approved colors. Current models are added annually to the ever-growing collection.
- **Stylized Images.** Enhanced with stylized effects, these realistic photo images give you and your advertisers a striking look to create impactful section covers, garner attention and inspire auto sales action.
- **Advantage: Size and resolution.** Each image is available in high resolution 300 dpi at a physical size large enough to easily drop into a doubletruck or full-page broadsheet layout — or even large-scale advertising like billboards. The advantage for you and your advertisers is the ability to create and present image-driven designs that are packed with visual punch.

The perfect companion to Metro's *Auto Photo Library*, *Stylized Auto Images* can take your auto sections and advertising to the next level. Give your entire team access to this ever-growing library of more than 170,000 specialized images for one low subscription rate, and start revving up your publication's auto section sales today! For details, call Client Services at 800-223-1600. M

CAMPAIGNS

Fortify sales with this quarterly selection of ad campaigns for local businesses.

- Find two ways to tackle campaign sales from a bank or credit union. A wedding lending campaign is ideal for wedding season or themed section sales. A second campaign spotlights great rates, customer service and no-fee banking services (17).
- Kick off golf season with a campaign featuring ads for a course's opening day, green fee specials and lessons from the pro shop (18).
- A coffee shop campaign offers several fresh promotional ideas to perk up business (20).
- Other campaigns feature a pharmacy, ladies' fashion boutique, weight-loss center and furniture store (18-20).
- Find additional campaigns for automotive, real estate and recruitment advertisers, as well as your own publication (05, 21, 26, 36, 38).

AUTOMOTIVE PROMOTIONS

Drive auto dealer sales with exciting new designs and promotions for the first quarter.

- See eye-catching premium photos in action from Metro's new Stylized Auto Images Library (01-04). To add Stylized Auto Images access to your Metro subscription, contact our Client Services team today!
- Capitalize on the excitement of the Big Game with super deals during "The Big Save" (05).
- Sell seasonal dealer promotions in conjunction with Valentine's Day, St. Patrick's Day and the new year. A brand-new collection of showroom floor stickers, bumper stickers and windshield signs lets you expand marketing packages to dealers in conjunction with these popular holiday events (07, 08, 13).
- Find additional ads for luxury preowned vehicles, no-pressure sales, winter clearance deals, overstock specials and much more (06, 08, 11, 12).

REAL ESTATE PROMOTIONS

Open the door to more real estate sales with a fresh selection of ads and promotions.

- Utilize a unique layout that incorporates a home shopping notes checklist to sell a campaign to a local realtor (26).
- Incorporate Valentine's Day and St. Patrick's Day into your first-quarter real estate sales with holiday layouts for each (29, 31).
- Secure sales from builders specializing in retirement living and other new home communities (30, 21).
- Sell full-page ads to agencies featuring multiple listings from realtors within their group, including shore properties leading into spring (27, 28).
- Recruit multiple agents to advertise in a local realtor directory (32).
- Additional images offer inspiration and options for more seasonal and year-round promotions geared toward realty advertisers (33-35).

SUBSCRIPTION & CLASSIFIED AD SELF-PROMOTION

Find layouts and ideas to promote your publication to readers and advertisers.

- Promote your publication in a local light with a print and online ad campaign. These ads tout your paper as a source for trusted news and much more, from dining and shopping deals to local events and job listings — in print and online (21).
- Find several more ads to promote your publication's features, sections and subscriptions. Showcase local sports coverage and Auto Section Classified sales. Other ads focus on news coverage and local perks (22).
- New directory formats featured this quarter offer premium placement opportunities for advertisers promoting their home services as well as Valentine's Day dining specials (23).

RECRUITMENT

Generate revenue from recruitment advertisers with this quarter's ads, images and ideas.

- Kick off 2018 with a recruitment campaign spotlighting new job and career opportunities featured in your Jobs Section for the new year (37).
- A second campaign incorporates a collection of sector-focused photo collages to shine a light on job openings from all types of employers, from city jobs to healthcare careers, hospitality, retail, construction, child care, transportation and more (38-40).
- Help a healthcare services employer attract quality applicants (37).
- Target finance and accounting job seekers with another themed layout (37).

Usage Notes:

NEW! Now you have collateral marketing material to offer your independent car dealers in the form of:

- Showroom floor stickers
- Bumper Stickers
- Window or windshield signs

Look for them in each Campaigns & Classified issue. You'll receive a set of three items geared toward the top-selling events in the months of the specific quarter.

Expand your printing business with these items, or include them as part of a comprehensive marketing sales package along with print and digital ad campaigns for your area dealers.

"I can't thank the team at Rescue Restoration enough for the great work they did at my home. Not only did their fast emergency response minimize damage to my property, but they ensured a safe and speedy restoration process, working directly with my insurance company to minimize out-of-pocket expenses and paperwork headaches. I highly recommend them. Do yourself a favor, and keep their number handy just in case!"
