Fuel Creativity & Ad Sales With Stylized Auto Images

Go beyond Metro's already extensive *Auto Photo Library* content — essential for everyday dealer ads — with *Stylized Auto Images*. This premium collection of images has been designed to complement the *Auto Photo Library* content to give you more options for auto dealer advertising.

Here's how *Stylized Auto Images* can take your automotive sections and advertising to the next level:

- **Demonstration Spec Ads.** Each *Campaigns & Classified* issue presents spec ads using content from the *Stylized Auto Images* library. You'll find tab and broadsheet ads that showcase the images for maximum exposure and impact. *Stylized Auto Images* subscribers have access to the content displayed in the ads.
- **Brand name images presented in manufacturer colors.** You get a library of professionally-crafted brand name auto images shot from various angles in manufacturer-approved colors. Current models are added annually to the ever-growing collection.
- **Stylized Images.** Enhanced with stylized effects, these realistic photo images give you and your advertisers a striking look to create impactful section covers, garner attention and inspire auto sales action.
- **Advantage: Size and resolution.** Each image is available in high resolution 300 dpi at a physical size large enough to easily drop into a doubletruck or full-page broadsheet layout — or even large-scale advertising like billboards. The advantage for you and your advertisers is the ability to create and present image-driven designs and multi-platform campaigns that are packed with visual punch.

The perfect companion to Metro's *Auto Photo Library*, *Stylized Auto Images* can take your auto sections and advertising to the next level. Give your entire team access to this ever-growing library of more than 170,000 specialized images for one low subscription rate, and start revving up your publication's auto section sales today! For details, call Client Services at 800-223-1600. M

Demonstration spec ads that utilize brand name images from the *Stylized Auto Library*, in broadsheet and tabloid sizes, are presented in the printed reference book and online SearchBook®. For complete access to the images in these ads, call 800-223-1600 or email service@metro-email.com for info on adding this optional library to your existing services.

Images from the *Stylized Auto Library* are delivered at a high resolution and size that enables enlargement up to the size of a billboard.

Usage Notes:

NEW! Now you have collateral marketing material to offer your independent car dealers in the form of:

- Showroom floor stickers
- Bumper Stickers
- Window or windshield signs

Look for them in each Campaigns & Classified issue. You'll receive a set of three items geared toward the top-selling events in the months of the specific quarter.

Expand your printing business with these items, or include them as part of a comprehensive marketing sales package along with print and digital ad campaigns for your area dealers.
