Be the Life of the Party.

Don't Drink and Drive, and Don't Let Friends Drive Drunk.

H1512P48001C-O

The Insurance Institute for Highway Safety reports that **New Year's Day** is one of the worst days of the year for fatal crashes involving drunk drivers. Don't let the good times cloud your good judgement. As you make your New Year's Eve party plans this year, be sure to include plans for safe and sober transportation. Here are some suggestions to help you plan ahead for a responsible ride home.

- Decide in advance on a designated driver.
- Save the number for a taxi service in your phone.
- Download a ride service app to your phone.
- Attend a party at a hotel or location where you can make overnight arrangements.
- Host or attend an alcohol-free New Year's Eve celebration.
- Make plans to have a friend, relative or car service pick you up from the celebration.

These local businesses urge you to be aware, be responsible and be safe on New Year's Eve.

Flexible options — headings, backgrounds, banners and frames — are yours for the taking in the 2015 Holiday Advertising Service. Use them to customize your pages and ads for your own unique holiday look.

Options for Customizing Your Holiday Pages

There are hundreds of choices of spec ads available in your 2015 Holiday Advertising Service. Looking to add your own creative stamp to your ads? Need a jump-start to holiday pages? Looking to customize existing ads from your *Holiday Service*? There are lots of options, but take, for example, these five pages from your 2015 edition:

Headings and Banners

These headings and banners (p. 22) can be dropped into any ad or multiple-advertiser pages and section pages as well as online holiday areas of your Web site. Larger square items can be used to start cover layouts or to create cards to give or sell to your clients.

Backgrounds

Colorful holiday backgrounds (p. 29) are the perfect starting point for pages and holiday section covers. Use them as is or crop them for any ad background. There are selections for religious and secular holiday applications as well as New Year's.

Scrolls and Ribbons

Festive and ready for your type, these scrolls and banners (p. 36) are sure to add a unique touch to your holiday editions. You have the ability to add curved type in both InDesign® and QuarkXPress® to make these ribbons and scrolls your own. Reduce them for holiday headers or footers, as title holders for holiday section covers or to create headlines that will command attention in any holiday ad.

Mix and Match Frames

Flexible frames and backgrounds (pp. 24, 25) mean quick layouts for sales presentations as well as readily available self-promotion options. With backgrounds and frames that can be mixed or matched to your heart's desire with the suggested layouts, these two pages alone have options galore!

Download separate elements or complete ads in the *MCC Creative Library*. Search through the *Holiday SearchBook™*, by keyword, *Image Type* (i.e., frame, heading or background), *Ad Type* and/or by horizontal or vertical orientation. **M**

Our Gifts for You:

Fully Templated Holiday Special Sections

Your *Holiday Service* includes two complete, ready-to-sell templated special sections: *Home for the Holidays* and *Celebrate the Season*. Access them from the *Templated Special Sections Library*. Download your choice of QuarkXPress® or InDesign® formats and start selling!

Click the MIAD button in MCC. In MIAD, enter advertiser info and change imagery and text if desired.
