## How to support small businesses this holiday season

As small businesses face difficult challenges, it's no surprise that many consumers want to support locally owned small businesses this holiday season.

The holiday season is an important one for small businesses every year, and it figures to take on heightened importance in 2020. The outbreak of the novel coronavirus COVID-19 in late 2019 and early 2020 hit small businesses especially hard, with many being forced to close their facilities to customers in an effort to prevent the virus from spreading.

Estimates regarding the effects of the COVID-19 outbreak on small businesses varied, but many small business owners were forced to let go employees as they confronted steep declines in revenue. A Zentimeter survey of more than 1,000 small business founders, senior managers and decision makers found that 37 percent of small businesses that employ between 11 and 25 people were considering laying off more than one-fifth of their workforce. As small businesses face difficult challenges, it's no surprise that many consumers want to support locally owned small businesses this holiday season. Such support not only can help small businesses, but also can help to revitalize local communities.

### • Shop online.

Online shopping has traditionally been dominated by big box retailers. However, many small businesses increased their e-commerce capabilities to generate revenue. Shoppers concerned about shopping in person this holiday season should explore the delivery and curbside pickup options available at locally owned small businesses. Even businesses that have not traditionally been open to deliver, such as breweries and wineries, have been able to do so during the outbreak, giving consumers unlimited online shopping options.

### • Purchase gift cards.

Gift cards take the guesswork out of holiday shopping, and such cards are easily shipped or even emailed to loved ones. That's a significant benefit during the 2020 holiday season, when delivery times are expected to be lengthy. Gift cards to local businesses simplify holiday shopping, support small businesses and help shoppers avoid potential delivery delays.

### • Share your experiences.

Word-of-mouth is vital to small businesses at any time, and can be especially valuable as these companies try to overcome the challenges posed by the COVID-19 outbreak. Holiday shoppers can share their experiences with local businesses via social media, share information about the lengths local small businesses have gone to in regard to safety measures, order fulfillment and their delivery and pickup efforts. Such sharing may compel neighbors and friends to follow your lead and provide vital support to local businesses in need this holiday season.

Small businesses are the backbone of many communities, and the holiday season provides a great opportunity to support such firms as they look to recover from a difficult year.

## Discounts nurses can enjoy

To help recuperate some costs, as well as to show nurses how much their dedication means to the public, various organizations offer discounts.

The year 2020 has been dubbed "the year of the nurse and midwife" by The World Health Organization and World Health Assembly.

There are millions of professional nurses across the globe, and the demand for skilled nurses is on the rise. Aspiring nurses may have to pay a steep financial price as they finance their educations en route to earning their credentials and licenses. Tuition is a considerable expense for aspiring nurses, and how much they can expect to pay depends on a host of factors. Enrollment in a bachelor's degree program can range anywhere from \$3,000 to \$100,000 per year depending on the institution. A less expensive and less time-consuming course involves the pursuit of an associate's degree, which full-time students can earn in two years.

To help recuperate some costs, as well as to show nurses how much their dedication means to the public, various organizations offer discounts. These unofficial tokens of gratitude to nurses can add up to considerable savings.

- **Affiliate discounts:** Enrollment in NurseUSA, which assists in the growth and advancement of nurses, may provide nurses with access to affiliated discounts. These can include everything from discounts in various cities, money off major movie cinemas and percentages off major theme parks.
- **Savings on insurance:** Depending on age and other factors, automotive insurance providers may offer discounts to professional nurses.
- **Warehouse membership:** Registered nurses are urged to join the warehouse retailer Costco as a new member and receive exclusive coupons valued at more than \$60.
- **Home protection plan:** TrustedPlace offers nurses a 20 percent discount on a home protection plan with coverage up to \$25,000. You can visit [www.trustedplace.com/AARN](http://www.trustedplace.com/AARN) to learn more.
- **Enroll in a trade group:** Memberships for nurses are free to the American Association of Registered Nurses and include a ParkaCard for discounts on shopping deals and more. They also offer a pharmacy discount card that can save nurses between 20 and 80 percent on prescription medications.
- **Discount clubs:** Hometown Heroes offers free membership to registered nurses and discounts to businesses across the nation.
- **Education discounts:** The American Red Cross offers affordable first aid and CPR recertification as well as continuing education credits to registered nurses. Mead-Johnson Nutrition also offers special programs to registered pediatric nurses.

Dedicated nurses work tirelessly on behalf of their patients to provide the highest quality of care. Various organizations recognize these unsung heroes and offer them discounts on products and services that can save nurses substantial amounts of money.

Note: These discounts were valid at the time of press. Nurses should confirm availability at the time of purchase or application to confirm validity.

Whether it's just how well you appreciate the dedication and sacrifice of our community's hospital workers and frontline heroes, from the bottom of our hearts, thank you for everything you do.
